1. Purpose

This policy explains annual leave, requests, approval, carryover, and unplanned absence for full-time employees of the fictional Acme Company.

2. Annual leave entitlement

Full-time employees receive **25 working days of paid annual leave** in each calendar year. Leave accrues monthly from the employee's start date. Part-time employees receive a pro-rated entitlement.

Public holidays

Company-recognized public holidays do not reduce annual leave. The applicable holiday calendar is based on the employee's country of employment.

3. Request and approval

- Submit requests in the People portal.
- Request planned leave at least two weeks in advance whenever possible.
- The employee's direct manager approves or declines the request.
- Do not book non-refundable travel until approval is recorded.
- Managers should respond within five working days and consider team coverage fairly.

4. Carryover

Employees may carry over up to **5 unused days** into the next calendar year. Carried days must be used by **31 March**; unused carried days expire after that date unless local law requires otherwise.

5. Unplanned absence

If illness or an emergency prevents attendance, notify your manager as soon as reasonably possible. Sick leave is recorded separately and does not normally reduce annual leave.

6. Questions and exceptions

People Operations handles policy questions and legally required exceptions. Managers cannot independently change leave entitlement or carryover limits.
